Updates at Cove Spring Church

Recently Bruns General Contracting Small Projects Division completed interior updates to Cove Spring Church at 5705 E. Walnut Grove Road, Troy, Ohio.

The projects included:

- replacing tile ceiling
- repairing water damaged plaster wall
- removing and replacing crown moldings
- installing a new drywall ceiling with finish work
- installing a new suspended vaulted ceiling
- removing and replacing light fixtures and ceiling fans
- painting of sanctuary walls

The projects were completed in a 2 week time period. The church was able to hold services and function as usual while the work progressed. Church volunteers contributed to the success of the

projects by moving furnishings out of the way and putting them back into place, as work was completed in each area.

I would like to thank all the staff at Bruns General Contracting for their caring attitude, their willingness to work with volunteers, their professionalism, their frankness when asked, and their craftsmanship. I am so pleased to have been able to work with such a nice group of people. Our church is like our second home and everyone in the congregation takes ownership, so pleasing everyone is quite a chore, but I think we did just that with the completion of our project by Bruns.

Randy Mott- Chairman, Cove Spring Church Trustees

Do you have a project at your church that you need help with? There is no project too large or too small for Bruns General Contracting.
