### Cloud Park Animal Clinic Opens in Huber Heights

Cloud Park Animal Clinic recently opened at 4638 Brandt Pike, Huber Heights, Ohio. Business owner Susan M. Goss DVM hired Bruns General Contracting to complete a fit out of an unfinished space in a shopping center. Bruns was responsible for pouring the concrete flooring, installing the underground plumbing, completing the interior framing, mechanicals and finishes.

The owner wanted to locate in an area that was surrounded by animal friendly parks and apartments while still being near her existing clientele at Wright Patterson Air Force Base. Susan was referred to Bruns General Contracting in June of 2011 and the project was completed in mid December 2011.
