## Bruns General Contracting Collaboration Integral in ASPM Expansion

All Service Plastic Molding Inc. (ASPM), recently broke ground for a 140,000 square foot building on Falls Creek Drive in Vandalia, Ohio. A family owned business, ASPM currently operates out of three facilities and will re-locate next spring to the new structure on a 17 acre site. Consolidating into the new facility will allow the company to be more efficient and provide room for growth, much of which is coming from ASPM's automotive and appliance customers.

Selected as the general contractor, Bruns has been working on this project for two years, beginning with the design, working through the site covenants with CSX, and obtaining incentives from the city of Vandalia, Montgomery County and the State of Ohio.

## Bruns General Contracting Tipp City, OH

*"Bruns ability to work collaboratively with our company to outline the scope of the construction project, as well as working with the incentives at both local and at state level, proved to be very beneficial to our ability to move forward with our expansion project"*

*- Joe Minneman- CEO & President, ASPM*

### **Matt Owen Joins Bruns General Contracting**

Matt Owen has accepted the position of Sales Manager at Bruns General Contracting in Tipp City, Ohio. In his new position, Owen will be responsible for growing construction sales in the commercial and industrial markets with emphasis in Montgomery County and southward. In addition, Owen will obtain his real estate sales license in the next few months and specialize in commercial and industrial properties.

Owen comes to Bruns from the Tipp City Chamber of Commerce, where as CEO/President he was responsible for business and economic development, downtown promotion, historic preservation, workforce training and development, strategic planning, budgeting, and legislative advocacy.

Owen graduated from Tippecanoe High School, attended Wright State University, served in the U.S. Navy, and received a degree in advertising from the School of Advertising Art in Kettering, Ohio. He and his wife are raising their family in Tipp City. In their spare time the family enjoys bike rides, hiking and family trips.
